Phone

Please answer the following questions in about 100 words.

Why are you interested in joining this committee? What would you contribute?

How do you give and receive feedback? How do you respond when someone from an external organization, volunteer, or member of the public "calls you out" for a statement or behavior?

Tell us about your lived and or professional experience facilitating or participating in dialogue and or workshops on equity, diversity, and inclusion (EDI)?

How have you been involved in EDI initiatives and what key takeaways remain influential to your growth?

How are you connected with diverse communities?
