Interested Party:

This letter is to update you on the status of the No Whisky Plantation Thinning Project on the Clackamas River Ranger District. The proposal involves thinning timber harvest. The legal notice for the 30-day comment period on the proposed action was published in the Oregonian on February 17, 2006. I have considered the substantive comments received and an Environmental Assessment and a Decision Notice have been prepared. I have decided to select Alternative B which would thin 1678 acres. Approximately 6225 feet of new temporary roads would be constructed. The Environmental Assessment and Decision Notice can be downloaded from the Forest web site at <http://www.fs.fed.us/r6/mthood/> in the Projects & Plans section. The Responsible Official is Gary L. Larsen, Forest Supervisor.

This decision is subject to appeal pursuant to Forest Service regulations at 36 CFR 215. Any individual or organization that submitted substantive comments during the comment period may appeal. Any appeal of this decision must be in writing and fully consistent with the content requirements described in 36 CFR 215.14. The Appeal Deciding Officer is Linda Goodman, Regional Forester. E-mails submitted to email addresses other than the one listed above, or in formats other than those listed, or containing viruses, will be rejected. It is the responsibility of the appellant to confirm receipt of appeals submitted by electronic mail. The Appeal, including attachments, must be postmarked or received by the Appeal Deciding Officer within 45 days of the date legal notice of this decision was published in the Oregonian.
